## MEMORANDUM

To: Linn County Commissioners

From: Undersheriff Micah Smith

Date: 12/15/22

Re: Resolution & Order 2022-422

---

Resolution & Order 2022-422 is an Intergovernmental Agreement between the Linn County Sheriff's Office and the Lane County Sheriff's Office. This IGA is a renewed IGA of one that the Linn County Board of Commissioners approved nine years ago, and continues a long-standing partnership with Lane County to keep our Motorola radio system updated, maintained, and upgraded.

Recently, the Lane County Board of Commissioners, acting as the fiscal agency for a group called the Southwest 7, approved a new System Upgrade and Assurances (SUA) contract with Motorola, for which Linn County Sheriff's Office has certain expenses to pay for services, software and hardware we will receive. Linn County Sheriff's Office serves as the Executor of the Board of the Southwest 7, of which I serve as the Chair. The Southwest 7 counties are Linn, Benton, Lane, Douglas, Josephine, Coos and Curry.

This IGA simply affirms to Lane County we understand and affirm the partnership we have with them and the contract they signed with Motorola, and our expectation to remit payment to them for our portion of the SUA costs as it relates to software, hardware and services that we will receive.

All fiscal impacts are built within the Sheriff's Office operating budget annually moving forward, as they have been for the last nine years.
