RE: Jackson Foundation Grant Proposal - Resolution & Order No. 2023-266

The Jackson Foundation is administered by the Charitable Services Group of U.S. Bank and supports projects that are located outside the Portland metropolitan area only if the project is of statewide appeal, rather than of local concern. Funds are intended to be used for the establishment and maintenance of a Warm Line project and a Lawyer in the Law Library program that supports and promotes pro-bono legal services in Oregon and better addresses the legal needs of pro-se housing providers and tenants throughout the State.

**Project Name:** The Oregon Landlord-Tenant Project

**Network Partners:** The Commons Law Center, Legal Aid Services of Oregon (LASO), and Neighbor to Neighbor (N2N).

**Project Activities/Purpose:** Plans are to work with Legal Aid Services of Oregon's (LASO) Albany Regional Office, the Commons Law Center, and Neighbor to Neighbor (N2N) to establish a landlord-tenant warm line, promote mediation services and provide a lawyer in the library program for landlords and tenants residing in Oregon.

I intend to submit a grant proposal with help from the Common Law Center, requesting \$45,000.00 from the Jackson Foundation for the operation and maintenance of a Landlord-Tenant Warm Line, mediation services, and a Lawyer in the Law Library Program. The Warm Line is simply a phone number that a person can call to have a conversation with someone who can provide support during hard times such as an eviction. It will be staffed and maintained by the Commons Law Center in Portland, Oregon.

The Lawyer in the Law Library Program is a direct response to the number of tenants facing evictions without representation. The program will provide for attorney presence in the law library for a few hours every other week to discuss the eviction process with tenants and offer ways to help them tackle their eviction cases. Legal Aid Services of Oregon will collaborate with the law librarian to ensure that tenants get the information they need to help them with their legal matters.

Mediation Services will be provided by Neighbor to Neighbor and will be marketed through the law library. Referrals to mediation services will also be provided as a means to help resolve tenant-landlord conflicts.

Lawyer in the Library	\$22,500
Warm Line	\$22,500
Program Management	\$22,500
Mediation	\$22,500
Travel	\$5,000
Materials	\$5,000

In order to keep the project going long-term, the law librarian will approach the following organizations for additional funds and/or apply for funds via grant proposals:

The OCWCOG project is to continue a live online bus tracking service for public access; and Albany ATS are awarded funds to support the only expansion project for the period. Lebanon LINX and Senior Citizens of Sweet Home Inc. each respectively are maintaining expansion projects that were successful from prior grant periods.

STIF funds not represented in the contracts above include: reserve funds for future biennia, a project to support administrative expense, and a project housing match funds to be distributed at a later date.

Linn County transportation partners express their gratitude to the Linn County Board of Commissioners for their continuing support to fund transportation in a way that reaches the greatest geographical area of Linn County possible and is attentive to the needs of special populations within the limitation of the resources.
