Re: **Order # 2024-288**

Resolution & Order # 2024-288 This resolution and order is to release a piece of property which had a loan that was given by Council of Governments back in 1997. The property owners have paid COG back in full for the loan.

Linn County needs to release the lien that was placed on this property for COG back in 1997. Everything has been satisfied with this piece of property. COG says that they are paid in full.
