MEMORANDUM

To: Board of Commissioners

From: Captain Erik Slinger
Correction Programs Commander

Date: September 10, 2024

Re: Resolution & Order 2024-322

The following items are scheduled to be heard on September 17, 2024.

Resolution & Order 2024-322:

This R&O is for a new contract with Salem Fire Alarm Inc. to replace our fire alarm system. After carefully considering and evaluating other service providers, we have chosen Salem Fire Alarm Inc. for its competitive pricing. Our current alarm system has not been updated since 2018 and is proprietary. As a result, only one service provider can work on our system, and if they are unable to respond promptly, the system must be placed in bypass mode until they can fix the issue. While in bypass mode this creates extra work for staff to physically check all living areas for smoke or signs of fires as the system will not detect these automatically. Salem Fire Alarm will demo all existing alarm systems and replace them with new, updated, nonproprietary systems, allowing us to utilize any service provider to repair the system if Salem Fire is unavailable. This new system will include replacing the main fire alarm control panels, new smoke and heat detectors, pull stations, annunciators, and wall-mounted horns and strobes. In addition, Salem Fire Alarm will program, test, certify, and provide training on the operation of the new fire alarm system.

Financial Impact:

The county's financial impact will be \$223,060 for the replacement of the fire alarm system, a five-year service agreement for the annual alarm inspection of all alarm equipment, and completion of the annual fire alarm inspection report as required by state and federal codes.

MEMORANDUM

To: Linn County Board of Commissioners

From: Captain Andy Franklin

Date: September 17, 2024

Re: Resolution & Order No. 2024-329

This is a Resolution and Order to approve the purchase of one vehicle by the Sheriff's Office. This vehicle is a 2024 Ford F350 that will replace a similar vehicle currently in the fleet, used for forest patrol, that is scheduled to be rotated out due to high mileage. This purchase was built into the Linn County Sheriff's Office budget this fiscal year. The total price of this vehicle, including tax, is \$57,879.21.
