Resolution and Order No. 2024-348
An Intergovernmental Agreement for Transition Services Between Greater Albany Public
School District 8J and Linn County
\$100,308.00

This money comes through Title 1D funding which comes to GAPS because of the Linn Benton Juvenile Detention Center along with Jackson St. Youth Shelter (Albany House) being located in Albany within the 8J District.

Title 1D monies are calculated by an intake count taken in the month of Oct. This provides funding for the following year.

The partnership with GAPS regarding this funding has been outstanding. GAPS is the only district in the State of Oregon which provides the full amount of funding back to the two programs that are responsible for them getting it. Minus the administrative costs, GAPS provides this funding to support the Juvenile Department's services for youth in detention, transitioning in and out of detention and for educational assistance to Jackson St. Youth Services for their Albany House.

Services provided with this funding;

Linn Benton Juvenile Detention

- Education Transition Specialist (18 hrs. per week)
- .48 FTE for the Horticulturalist at the Linn Benton Detention Center
- Extra class room supports for the Detention Education Program

Jackson St. Youth Services

- Transportation assistance while the McKinney Vento program is set up
- Tutoring
- Summer Education Program

Resolution and Order 2024-352

P.C. and Linn County
Not to exceed \$80,000

This contract is amended to increase the total contract amount by \$3,200.00 to cover some additional costs of prescriptions for youth. The Juvenile Department contracts for Physician Services for our Medical Director at the Linn Benton Juvenile Detention Center. A physician comes to the facility twice per week for a total of 4 hours. The previous contract amount of \$76,800 covered the cost of the physician only. The increased \$3,200 will also cover the cost of prescriptions, which are prescribed by this physician and can then be billed through our contract with them.
