Summary 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows for the manufacturing, transportation, delivery, sale and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to delay the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers. The Lebanon City Council adopted an ordinance to refer to the voters that temporarily prohibits psilocybin-related businesses in Lebanon to enable the city to consider local regulations once the state's psilocybin regulatory program is established.

Approval of the measure would delay the establishment of psilocybin product manufacturers and psilocybin service centers within the Lebanon city limits until December 31, 2024.
