STEVE DRUCKENMILLER, Clerk
By MS Deputy
02:05 pm

Question 20 words which plainly phrases the chief purpose of the measure.

Should Harrisburg prohibit the establishment of facilities that manufacture, deliver, or administer Psilocybin products within the City limits?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows for the operation of licensed Psilocybin service centers and manufacturing facilities. State law provides that a City Council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed facilities within the area subject to the jurisdiction of the City.

Approval of this measure would prohibit the establishment of facilities that manufacture Psilocybin product or service centers that supervise Psilocybin administration and delivery to clients of the service center within the area subject to the jurisdiction of the City.

If this measure is approved, the City will be ineligible to receive distributions of state Psilocybin tax revenues, should any be created by the State legislature, and will be unable to impose local tax or fee on the manufacturing or sale of Psilocybin products.
